

WHO REPRESENTS ME... ON NUCLEAR WEAPONS?

Our elected representatives deal with different matters.

We might need them to help us, or we might want to contact them to tell them our views.

- Put the matters, relating to nuclear weapons, that the representatives are responsible for into their speech bubbles (some might go into more than one bubble):

nuclear convoys on public roads setting up a Peace Garden
nuclear incident emergency procedures radioactive pollution in Loch Long
nuclear weapons based at Faslane info on Nuclear Free Local Authorities
