**REPORT OF THE TRUSTEES**  
**for the year ended 30 SEPTEMBER 2022**

The trustees present their report with the financial statements of the charity for the year ended 30th September 2022. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended), and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

The organisation's main objectives, as outlined in its governing document, are:

- (a) to advance education by raising the level of understanding of nuclear weapons and other weapons of mass destruction amongst children, young people, disadvantaged groups and the general public.
- (b) to advance knowledge by the study and research of threats to international peace from nuclear weapons and other weapons of mass destruction.
- (c) to increase knowledge and public awareness of the effects of radioactivity and nuclear explosions on human health and well being.
- (d) to advance and increase knowledge of the environmental impact of nuclear weapons, nuclear accidents, nuclear waste and radiation.
- (e) to advance understanding of conflict resolution by providing information on non-violent approaches to resolving disputes between communities and nations.

**Significant activities**

Peace Education Scotland have continued to function during the pandemic period.

The charity has organised its committee meetings online and some other working groups have also used online platforms to meet.

Further details of our activities are outlined in the "Charitable Activities" note below.

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

The main work areas which have been progressed in the last year have been:

1. Development of materials in relation to morality and environmental issues for use in schools and other settings. Videos around both topics have now been completed and launched. Also work has taken place to update some existing materials in relation to nuclear testing and the Treaty on the Prohibition of Nuclear Weapons. Peace Education Scotland has engaged in online outreach work for the International Day against Nuclear Tests.
2. The booklet on the Environmental Cost of Nuclear Weapons has been distributed through engagement with trade union representatives with the aim of influencing policy making and attitudes and raise awareness of the environmental implications of nuclear weapons. It covers topics such as climate and resource related conflicts, adverse effects from nuclear tests and uranium mining, radioactive and toxic discharges, the close links between civil nuclear power stations and weapons programmes, and the large 'carbon footprint' of the military.
3. Ukraine Resources were developed in response to the invasion of Ukraine by Russia. This has raised questions on issues surrounding nuclear weapons. Ukraine was formerly a nuclear power, and some think the conflict could still escalate into a worldwide nuclear war.
4. Peace Education Scotland continues to put out regular bulletins to schools highlighting our resources. We posted copies of our materials in response to requests and encourage the use of our modules in schools or home schooling.
5. Peace Education Scotland has updated the education materials on Trident Nuclear Weapons and promoted this resource as part of UN International Day for the Total Elimination of Nuclear Weapons.

**FINANCIAL REVIEW**

**Financial position**

The charity accounts show income of £3,407 from grants and donations, and focused on spend of restricted funds relating to environmental impact of nuclear weapons.

The charity has funds totalling £4,733 to carry forward to the next year, of which £4,183 is unrestricted and £550 restricted. The Trustees deem these reserves sufficient in relation to the operations of the charity.

**Reserves policy**

There is a reserves policy of £2,000 for on-going charity running costs. It is the aim of the charity to raise additional grant funding in line with the budgeted costs of future activities.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document & constitution**

The charity is controlled by its governing document, a deed of trust, and constitutes a Scottish Charitable Incorporated Organisation (a SCIO). It was registered in its current legal form on 21 September 2016. It has a single tier structure and as such the trustees are the members of the charity.

**Recruitment and appointment of new trustees**

Appointment of trustees is governed by the Constitution of the Charity.

The trustees are authorised to appoint new committee members to fill vacancies through resignation or death of an existing committee member.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF**  
**PEACE EDUCATION SCOTLAND**

I report on the accounts for the year ended 30 September 2022 set out on pages five to eleven.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The charity's trustees consider that the audit requirement of Regulation 10(1)(a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under Section 44(1)(c) of the Act and to state whether particular matters have come to my attention.

**Basis of the independent examiner's report**

My examination was carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention :

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
- to keep accounting records in accordance with Section 44(1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
  - to prepare accounts which accord with the accounting records and to comply with Regulation 8 of the 2006 Accounts Regulations

have not been met; or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities and Trustee Investment (Scotland) Act 2005. The financial statements have been prepared under the historical cost convention.

The presentational and functional currency of the financial statements is Pounds Sterling (£).

**Going Concern**

After reviewing the charity's forecasts and projections, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

**Financial reporting standard 102 - reduced disclosure exemptions**

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

**Critical accounting judgements and key sources of estimation uncertainty**

In preparing these financial statements, the trustees are required to make judgements, estimates and assumptions that affect the application of the Charity's accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

There are no significant judgements or estimates used in the preparation of these accounts.

**Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

**Donations**

Donations are recognised on receipt. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until those conditions are fully met.

**Legacies**

Legacies are recognised when the charity has been notified in writing of both the amount and settlement date.

**Grants**

Grants are recognised when the charity has been notified in writing of both the amount and settlement date. Grants are deferred if terms or conditions must be met before the charity has entitlement to the resources.

**Fundraising**

Funds raised from fundraising events are recognised in the period in which the event was held.

**Sale of Goods**

Revenue is recognised when the significant risks and rewards of ownership have been transferred to the customer, recovery of the consideration is probable, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods, and the amount of revenue can be measured reliably.

Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.
